Terms & Conditions

Condition & Attending
The app should feature age-appropriate content tailored to children's developmental stages. Interactive and engaging activities should be included to maintain interest and enhance learning. A user-friendly interface with intuitive navigation is essential for children to explore independently. Content should align with educational standards and promote key skills such as literacy, numeracy, and critical thinking. Regular updates and new content additions keep the app fresh and relevant for continued learning. The app should adhere to strict privacy and safety measures to protect children's data.

Terms & Use
Users must be under the age of 13 to use the app, with parental consent required for those under 18. Parents or guardians are encouraged to monitor their child's usage and interactions within the app. The app is designed solely for educational purposes, aiming to enhance children's learning experiences. We prioritize the safety and privacy of children, adhering to strict data protection regulations. The app does not contain any material or content that is inappropriate for children. Users are encouraged to provide feedback and report any concerns regarding content or interactions within the app. We are not liable for any damages or issues arising from the use of the app, as outlined in our full terms of service
